(b) Kendriya Vidyalaya Sangathan has drawn up a scheme to get swimming pools and gymnasia constructed in Kendriya Vidyalayas by private parties on Build, Operate and Transfer (BOT) basis. Under the scheme, private parties are provided a specified area of land in the Vidyalaya premises for a specified period. At the end of the concession period, the assets get automatically transferred to the KVS. The party concerned constructs, maintains and operates the swimming pool and gymnasium with its own funds. During school hours, KV students are allowed to use the swimming pool and gymnasium free of cost. Beyond school hours, the party is free to use the facilities commercially.

(c) and (d) Kendriya Vidyalaya Sangathan being an autonomous body, the scheme has been approved by the Board of Governors of the Sangathan. The scheme provides opportunities for these additional facilities to the students of KVS without any financial burden on Government exchequer.

(e) The private operators are required to provide the necessary life guard and coach for the safety of the children.
